

Little Wombatz

This half term we are exploring different fantasy worlds, such as knights and castles, under the sea, dinosaur lands and we are starting by visiting space!

Staffing

Jemma is now on maternity leave until the end of the year. Her hours will be covered by Andrea and Michelle, (who has been acting as cover staff for us until now). Andrea and Michelle are both qualified level 3 practitioners, with full pediatric first aid certificates.

Students

We have several year 10 & 11 students joining us at different times over the coming term for work experience placements.

Spare Clothes

Please remember to send your child with spare clothes, a suitable coat for the weather or hat if it is hot and wellies or sun cream (or maybe both!).

Carnival Float

We will be entering a carnival float into this year's Soham Carnival Parade on Monday 29th May. Places on the float will be offered to our oldest children first. Our theme is Superheroes! If you are interested in helping us decorate the float please let your child's key worker know.

Parking

We are now able to park in the council office car park and walk across the recreation ground. Please avoid parking on Gardeners Lane wherever possible. Please remember there is no vehicle access to the Scout Hut along the gravel drive. Thank you.

Term Dates

May 26

Last day of term

June 5

Term Starts

July 21

End of year party at South Angle Farm Park (all children invited with parents/siblings)

Moving on

If your child is moving on to school in September please let us know once their school place has been confirmed so that we can start arranging visits with their new schools.
